

Attorney Docket No. P67314US0

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the Application of: GLASSER

Serial No.: 09/826,683

Filed: December 3, 2001

For: MIXTURE OF METAL AND/OR ALLOY PARTICLES AND A LIQUID MEDIUM, AND PROCESS FOR THE PREPARATION THEREOF

TRANSMITTAL

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to a telephone conference, today, with Examiner K. Vijayakumar, transmitted herewith by facsimile is a complete copy of the papers filed December 22, 2003 in the subject application and a copy of the corresponding Auto-Reply Facsimile Transmittal, received from the PTO.

As discussed during the aforesaid conversation, there is a typographical error in the application number appearing in the heading of the filed papers; i.e., the digit "8" was typed instead of "9," such that the application number on the filed papers reads "09/826,683."

Applicant wishes to thank Examiner Vijayakumar for the courteous consideration rendered to Applicant's representative during the telephone conversation.

Favorable action is requested.

Respectfully submitted,

JACOBSON HOLMAN PLLC
